# Welcome to the 2007 Forever Bury Beer Festival Sponsored by GLOBET CASINO

Can I please offer a very warm welcome to all of the visitors to this year's event and I do hope you all enjoy the fine array of drinks that we have managed to put together for you.

There are no more than 2 beers from each brewery represented which is an impressive list of 22 brewers from as far a field as Northumberland and Cornwall. There are a couple of new breweries involved that many won't have sampled and a couple of new beers being launched at the Festival.

This is the third Beer Festival in what is now becoming a World famous annual event; indeed, representatives from our main sponsors, Globet Casino have flown in from Gibraltar to join us. One way you can back the Shakers and support Globet at the same time is to log onto the Beer Festival website – [www.fb-beerfestivals.co.uk](http://www.fb-beerfestivals.co.uk) and click on the Globet logo to access their site for playing poker or sports betting.

On that note I'd like to thank each and every one of our sponsors for their generosity and hope that you all have an enjoyable time. All monies raised are put to good use in helping Forever Bury to play their part in rebuilding the club as well as giving the fans a platform from which to be involved.

The last 2 Beer Festivals have raised over £18,000 in total for our cause – last year alone we put £17,000 into the club, helping to bring Andy Bishop to Gigg Lane and funding a total refurbishment of the Away Changing Rooms, which are used by the junior players during the week. This has increased our shareholding in the club to over 300,000 shares.

Finally, if you enjoy today (as I'm sure you will), why not take a look at some of our forthcoming events; even consider joining the Forever Bury membership and playing your part in rebuilding the Shakers. We are growing all the time and there are many benefits especially the Forever Bury Discount Scheme or get in touch if you would like a private look around behind the scenes at Gigg Lane.

Don't forget to check the Beer Festival website to see all the photos from this year's event. Thanks to everyone.....please have FUN!!!!!!
